Woody Allen: Midnight in Paris

The library is proud to announce the next event of our ongoing Sunday afternoon film series. We will be hosting a screening and discussion of the Woody Allen film, "Midnight in Paris". This is happening this Sunday, April 28th, at 2pm in the library's auditorium.

Bob Coscarelli, professor emeritus at the College of Lake County, will introduce the film and lead a discussion once the movie ends. "Midnight in Paris" is about a man who is forced to examine the shortcomings of his relationship and finds himself transported back in time to Paris in the 1920's.
