STEM is In Full Bloom at Storytime!

This week Miss Deena's storytime theme is "Gardens". She will be reading books, singing songs, doing fingerplays, and more all about gardens and plants. The highlight is when the children learn how dandelions re-seed themselves and then get to spread their own "dandelion seeds".

Dandelion Seeds Everywhere!

So Many Seeds

If you missed today's drop-in storytime be sure to join us for Storytime Live for ages 3 1/2 - 6 this Thursday at 1:30 p.m.
