

Book Club Kits

Looking for a great book to discuss at your next book club meeting? Check out our Book Club Collection! The titles in this collection have been carefully selected by our readers' advisors, and represent a diverse variety of topics, interests, and genres. Both fiction and non-fiction are included, and most titles are available in large print or audio format in addition to the regular print. The Library owns at least 10 copies of each title, and the readers' advisors also create an accompanying book club kit for each selection. Each kit contains:

- ? discussion questions
- ? book reviews
- ? author biography
- ? plot summary
- ? bibliography of related titles

New titles are added frequently and older titles are removed, keeping the collection fresh and dynamic!
