

OneClickdigital

OneClickdigital is a new E-Audiobook database from Recorded Books.

- ? All content is iPod[®]-compatible
- ? Exclusive Recorded Books content
- ? No waiting. All of the books in OneClickdigital are available for immediate download
- ? Renewable once after a 3 week loan.

To Use OneClickdigital you will need:

- ? To download a small program to your PC. You will use this program to transfer the audio file to your portable device.
- ? An account which you can set up at the OneClickdigital website.
