Just a Thought -- New Additions to the Book Club Collection

Our Book Club Collection is a very popular offering, not only with book clubs but with all readers looking for a good book into which they can really sink their teeth. In order to keep it fresh and as useful to our readers as possible, we update frequently, adding new and exciting titles! Since we have a renovation to the Adult Services Department on the horizon (see [this page](#) for more information) we thought it would be the perfect time to step up the pace and add more fresh fiction and nonfiction than usual. We've already added three titles, with three more on the way; and we will be adding another six this fall. So keep your eyes peeled and watch this space; we'll let you know as soon as the new books come in! But in the meantime, here are the three we've already added:

Bryson, Bill. *At Home* (non-fiction, 643.1 B916)

Green, John. *The Fault in Our Stars*

Lupton, Rosamund. *Sister*
