

Computers & Technology

Wireless Printing

Visit [Highland Park Public Library's PrinterOn](#) to send print jobs from your laptop or from computers outside the building.

- Black and white printing costs 10¢ per page.
- Color printing costs 25¢ per page
- Retrieve print jobs at the computer lab in Adult Services.

Portable Projector

An InFocus DLP projector IN124 can be borrowed for up to 7 days by Highland Park residents. [Find more details here.](#)

Computers

Our computer lab offers Internet access, Microsoft Office, scanning stations, and printers. All you need is a Highland Park Public Library card. These computers are open to anyone in high school or older. We also have several computers specifically configured for kids in our Youth Services department.

Laptops

Library card holders can check out laptops to use inside the library. Stop by the desk in the computer lab to check one out.

3D printing

Send us your 3D printing files and we will print them for you on our 3D printers. Requests may

take up to two weeks. [Learn more about our 3D printer.](#)

Digital Media Lab

The Digital Media Lab offers the space, equipment, and software for you to get creative with video, music, graphic design, and more. [Learn more about the Digital Media Lab.](#)

Tech Help

- [Submit a request for one on one tech help](#)
- Try online learning resources from [lynda.com](#) and [Gale Courses](#)

Wi-Fi Access

Wireless Internet (Wi-Fi) access is available throughout the library. Simply log on and select "HPPL" as your wireless connection; no password required. By using our Wi-Fi, you agree to the terms of our [Internet Access Policy](#).

Storage

Flash drives (2GB) and blank CD & DVD-R discs are available for purchase at the Membership Services desk.

- Flash drives - \$5.00 each
- DVD-R discs - \$2.00 each
- Compact Disc (CD) - \$2.00 each
- Earbuds - \$1.00 pair
