James Bond at the Library

The latest James Bond film, *Skyfall*, was released on Blu-ray and DVD yesterday. The latest is about Bond (Daniel Craig) investigating an attack on MI6 as well as an assassination attempt on the agent M (Judi Dench) by a rogue agent named Raoul Silvia (Javier Bardem).

This is the 23rd James Bond film within the last 50 years. The library owns copies of almost every James Bond movie, all of which are available for public usage.
