Be a Junior Page Volunteer!

Want something to do this summer? The Youth Services Department is looking for students who will be entering grades 6 through 9 next fall to become Junior Page Volunteers.

Our Junior Pages help out with the summer reading games, shelving and other things. If you are interested, call the Youth Services Department (847-681-7030) or stop by to sign up. Students should sign themselves up. New volunteers must attend an orientation session on either Thursday, June 12 or Saturday, June 14. [Click here for more information about Junior Page Volunteers.](#)
