The Scorch Trials

Author:

James Dashner

Reading Level: Grades 6 and up

If you haven't yet read [The Maze Runner](#) yet, stop reading this review.

Thomas, Teresa and the other Gladers have escaped the Maze and been rescued, supposedly. But after what they all went through in the Maze, who can trust anything?

Soon, unsurprisingly, the Gladers find themselves in the midst of another trial - one even more grueling and dangerous than the Maze. But there are more elements to the test this time, and Thomas doesn't know how he and his friends will survive this time.
