

Computer Services

The library offers computers for the public in the adult and youth services departments. We also loan laptop computers for use throughout the Library.

Adult Services

16 Windows® stations are available for public use, 12 sit-down computers and 4 express.

4 laptops are available to check out and use within the library for Highland Park Library cardholders for 2 hours.

Internet, word processing, database, and combinations stations are available.

Patrons may sign up one hour time slots beginning at 9:00 am (1:00 p.m. on Sunday).

Four 10-minute express Internet stations allow for walk-ups with no reservations.

Computers are configured with Microsoft Word®, Excel® and PowerPoint®.

Printing is charged at .10 per black and white page, .25 color; USB drives are available for \$4 or \$7 and CD-RW blanks are available for \$2 at the reference desk. Ear buds may be purchased for \$1.

The library also offers computer classes

Reservations for classes may be made up to 1 week in advance by calling 847/681/7031; only 1 reservation can be taken at a time.

Wireless Network

The Library offers wireless access to the Internet in the Adult Services Department.

To use the network you need a laptop or notebook computer with a Wi-Fi 802.11 wireless card or processor and headphones for audio reception.

Computers should be set to obtain a TCP/IP address automatically (DHCP)

Wireless users are responsible for configuring computers; reference staff cannot give assistance.

Printing from the Library's network is available [here](#).
