Renaissance Faire

Hear ye! Hear Ye!

A wonderful time was had by all at the Renaissance Faire hosted by the Highland Park Public Library on Sunday, June 5th. The faire was the grand kick-off event for the Youth Services summer reading program, "A Midsummer Knight's Read."

On a picture perfect day, in the clearing behind the library, faire goers met knights, ladies-in-waiting, a royal falconer with hunting falcons and hawks, and the court jester. The faire was made possible by The Friends of the Highland Park Library.

For more pictures of the faire go to [The Library Gerbils' Facebook Page](#).
