Amelia Lost: the Life and Disappearance of Amelia Earhart

Author:

Candace Fleming

Reading Level: Grades 3-5

Amelia Earhart was one of the most formidable female pilots of her time, spurring her decision to be the first woman to fly around the world - alone. But a few hours into her flight, Amelia's plane lost radio contact with the ground and became lost. She was never found. Fleming's new biography of Earhart is great for younger readers interested in both the story and the time period.
