The Body Finder

Author:

Kimberly Derting

Reading Level: Grades 8-10

All her life 16-year-old Violet Ambrose has heard the echoes of the dead. Not all dead people and animals. Just those who have died violently. When Maya is called when she and her best friend Jay are riding a wave runner, she finds the body of a recently murdered teen girl. It soon becomes apparent that the murder is not an isolated event but the work of a serial killer.
