15-year-old Yancy is on the run, but not for the usual reasons. He does well in school, has friends and his parents love him. Yancy is running because of his monster of a brother, 16-year-old Will. Will has a "conduct disorder." For Yancey that means Will can terrorize him with almost no consequences. Yancy's parents barely react after Will cuts the tail off of Yancy's beloved horse Sky. When Will tries to stab Sky Yancy knows it is time to for him and Sky to leave.
