The Summer Before Boys

Author:

Nora Raleigh Baskin

Reading Level: Grades 4-7

Julia and Eliza are best friends. They are also family. Even though they are the same age, Julia is Eliza's aunt. Of course, Eliza doesn't call her best friend "Aunt Julia" but still...they are more tied together in ways most friends are. That was never a problem...until the summer they turned twelve

Eliza still likes to pretend, just the way she and Julia have done all their lives. But Julia finds it harder and harder to enter that make-believe world. There are too many distractions in the real world. Some are terrible, like worrying about whether or not her mother will survive her tour of duty in Iraq. Others are much more pleasant, like a certain very cute boy named Michael.

Where do your loyalties lie when you find yourself changing, pulling away from a best friend who is so much more than just a friend?
