Halloween Railroad

The model trains will be rolling again on Saturday, Oct. 22nd from 9:30 a.m. to 4 p.m.. The guys from the North Central O Guagers Railroad club spend hours creating all those fantastic Halloween scenes. I'm sure that many of the old favorites will be back and I bet there will be some great additions. Lots of people have been asking about this event already. It's become a Halloween tradition in Highland Park.
