Book Match

The Youth Sevices Department continues to prepare for the new Book Match season. Staff has written twenty-five questions for each of the thirty-three new Book Match titles.

Book Match readers continue to read their way through the fifty book list. Many have checked out one of the Youth Services eighteen Book Match Nooks. Using the Nooks, some kids have managed to read three or more Book Match titles during the three week loan period.

At participating schools Book Match preparation is in full swing as students and coaches meet to practice for the winter season.
