Bluefish

Author:

Pat Schmatz

Grades 5+

You probably learned to read in kindergarten or first grade, maybe even sooner. Maybe it's a little hard for you, maybe it got easier as you read more and more, maybe you can't stop reading.

But you *did* learn to read - good at it or not, loving it or not.

For Travis, that never happened. From kindergarten until seventh grade, he never let anyone see that he couldn't read - and no one knew - not even his teachers. When Travis and his grandpa move to a new town, and he begins at a new school, Travis isn't worried that he'll have trouble hiding his secret - until he gets his schedule.

Fourth period. Reading class. Room 134. Mr. McQueen.
