Join Us To Encourage Children To Read This Summer!

Highland Park Public Library is on a mission to encourage children in our community, from babies to those entering ninth grade, to connect with books. Every summer the Library hosts a Summer Reading Club. We offer incentives for children to visit the Library, talk about the books they are reading, and join the community of readers in Highland Park. This year’s Summer Reading Club theme is Mission: READ.

Please join us as a Mission: READ sponsor. The Summer Reading program not only encourages literacy development, but also helps students learn about budgets, spending, and saving through our token and point system. Children earn tokens and points by reading and reporting on books at the Library. Points and tokens can be exchanged for prizes throughout the summer.

Participating sponsors are featured on Summer Reading Club materials, in the Library, and online. This publicity is seen by thousands of prospective customers. Sponsors also benefit from the goodwill associated with participating in one of the Library’s longstanding and favorite programs.

To help us in our mission, please fill out the form and return it to the Library by April 20. If you have questions or would like additional information, please contact me via phone or email.

Thank you for your support!

Sincerely,

Allison Blaetz
